

MFC Accessories

RS485 / MODBUS Interface

RS485 / MODBUS Accessories

Features

When connecting several Digital MFC to a computer :

RS232/RS485 converter..... P/N 6730024Q-01
 RJ11-RJ11 cable (2m50)..... P/N 2990955Q-01-2m50
 MFC Power supply for 4 MFCs ($\pm 15V$)..... P/N 6730025Q-01

RS485 / MODBUS option for digital MFCs all series

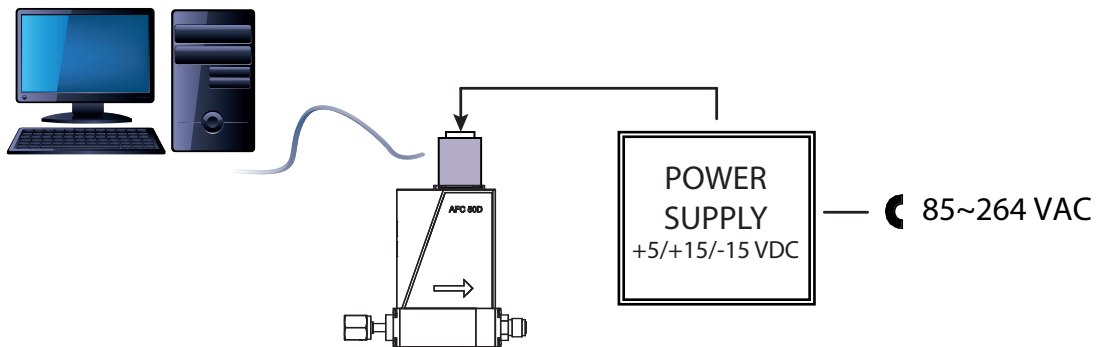

Features

RS485 PC board (plugged into the MFC)..... P/N Q2001733-16
 Advanced software Digisoft

Part number

See MFC Part Number Configuration page

RS232C Interface - One MFC

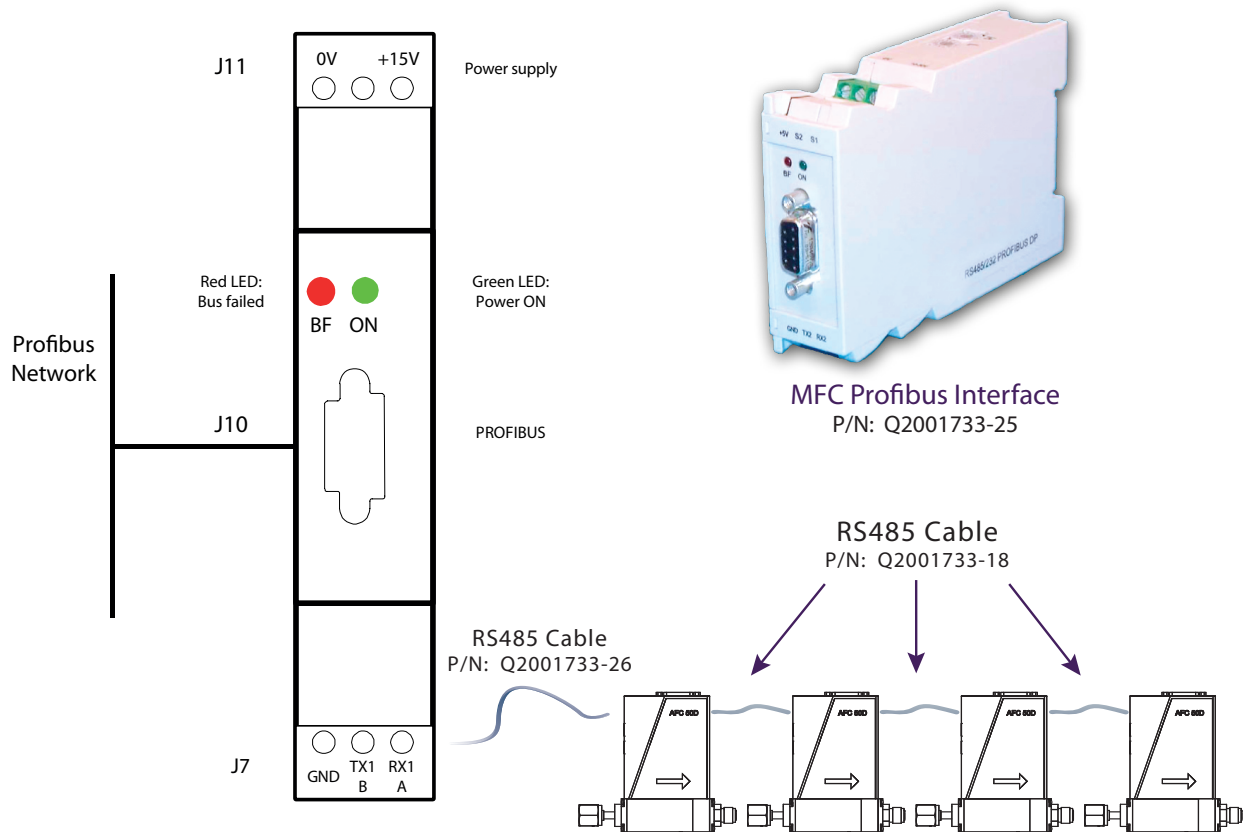

RS232C & Power Supply kit for Qualiflow Digital MFC's all series

Features

When connecting individually a Digital MFC to a computer, use this interface kit. It includes:

Connector conversion adapter..... P/N Q2001733-06
 Power supply 120/230 VAC, $\pm 15VDC$... P/N Q2001733-14.SP
 Power cord 1m (power supply-MFC)..... P/N Q2001733-13
 RS232C cord 2m (MFC-computer)..... P/N Q2001733-11.SP

MFC Profibus Interface

MFC Profibus Interface kit for digital MFCs with RS485/MODBUS

Features

Digital MFCs communicate with host computers using an RS-485 network and MODBUS protocol.

In order to connect the digital MFCs to a Profibus network, the MFC-Profibus Interface kit is used. The kit includes:

- 1 MFC-Profibus Interface..... P/N Q2001733-25
- 3 RS-485 Cables MFC-MFC..... P/N Q2001733-18
- 1 RS-485 Cable Profibus Interface - MFC... P/N Q2001733-26

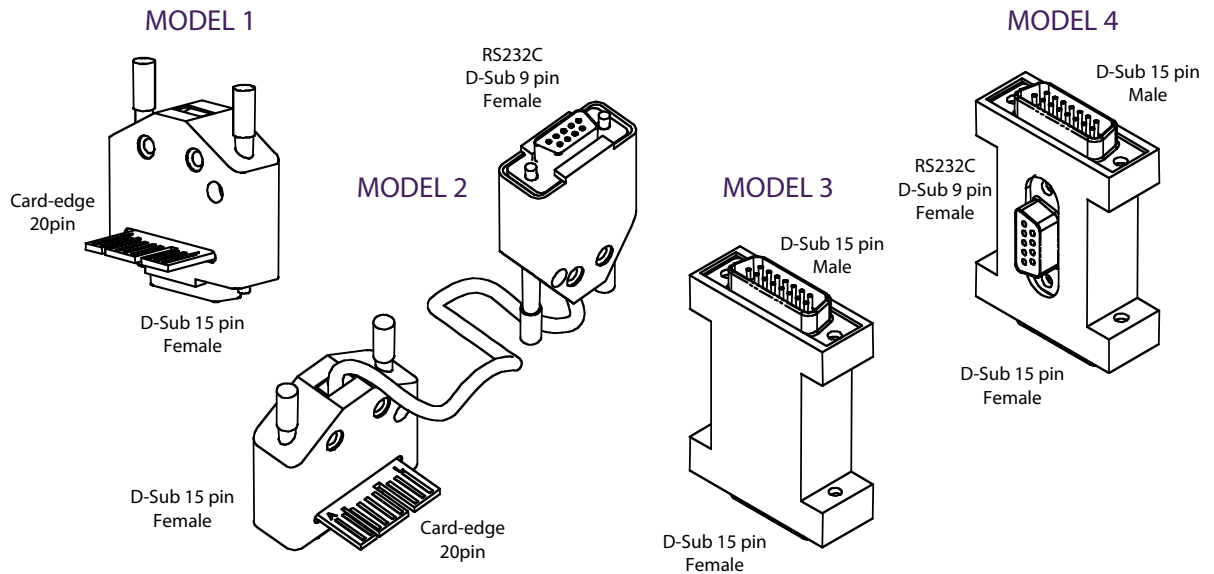

Part Number

MFC Profibus Kit..... P/N 9220001

Connection Kit

Connector Conversion Adapters

QUALIFLOW MFC / Connector		Replaced MFC / Connector		Model	Part Number
Analog AFC50 / AFM55	D-Sub 15 pin	Main MFCs	Card-edge	1	Q2001733-01
Digital all series	D-Sub 15 pin	Main MFCs	Card-edge	1	Q2001733-07
				2	Q2001733-08
Digital all series	D-Sub 15 pin	Analog AFC50 / AFM55	D-Sub 15 pin	3	Q2001733-09
				4	Q2001733-10
Digital all series	D-Sub 15 pin	Main MFCs	D-Sub 15 pin	4	Q2001733-06

0-5V to 4-20mA Conversion Adapters

QUALIFLOW MFC / Connector	Model	Part Number
QUALIFLOW Analog AFC50 / AFM55	3	Q2001733-05
QUALIFLOW Digital all series and main MFCs with D-Sub 15 pin connector	3	Q2001733-13

Connecting cord

Description	Part Number
Connecting cord for analog AFC50 / AFM55 or digital MFCs all series: - D-Sub 15 pin female connector (MFC side), wires at the other end - Length of 5 meters	2990924Q
